

BOULDER COUNTY PRIDE

Boulder County Pride is a week-long celebration of the local LGBTQ+ community that also promotes visibility, awareness, and of course, pride!

WHAT THIS PROGRAM HAS TO OFFER:

Pride is an opportunity to **CELEBRATE** who you are and who you love with the entire LGBTQ+ community and our allies. You can attend one or all of our Pride Week events that culminate with weekend Pride Festivals in Boulder and Longmont. Activities include dancing, local performances, social gatherings, connecting with resources, and so much more.

Pride is about **BUILDING COMMUNITY**, making connections with other LGBTQ+ people and allies, and celebrating the progress we have made. Organizations and businesses that serve and support our community are on site to provide information and resources.

There are many ways for people, organizations, and businesses to **ENGAGE** in Boulder County Pride. You can:

- Attend
- Volunteer
- Host a booth
- Be a sponsor
